Toronto United Church Council - COVID 19 Response

Like many other organizations TUCC is taking measures to ensure staff safety and play our part in the national attempt to 'flatten the curve' of COVID 19 infection. Almost all staff will be working from home in the coming weeks, and we will not be holding in-person meetings until the public health situation has changed.

However, we are still available to support you in your ministry work:

- We can still be contacted by email and by telephone. [Click here for a link to our staff directory.](#)
- We can also meet with you by phone, conference call, and video conferencing.

As part of our calling to connect resources with ministry we are in active dialogue with our regional council partners to seek ways in which the financial challenges presented by the crisis can be addressed. In particular, we are exploring ways in which investors and borrowers of TUCC managed funds can be helped through at a time when traditional revenue sources are being severely curtailed because of the virus.

Our prayers are with you as you seek to bring hope and comfort in these difficult times,

Ross Leckie, President

Ron Ewart, Executive Director
