# Ministry Fund

The Investing in Ministry Fund provides a reliable income to investors while guaranteeing the invested principal.

Investing In Ministry Fund Return on Funds – 10 Years Compared to GIC Rates & TSX Index

10-Yr Compound Annual Growth Rate (CAGR) 2013-22	3-Yr GIC Rate <sup>1</sup>	5-Yr GIC Rate <sup>1</sup>	S&P/TSX Composite <sup>2</sup>	Investing In Ministry Fund
7.74%	1.28%	1.57%	7.74%	4.70% <sup>3</sup>

- 1 3- and 5-YR GIC rates taken from the Bank of Canada website (average rate per year)
- 2 S&P/TSX Composite Index (CDN\$) annual numbers taken from Bloomberg
- 3 Past results as recorded above do not guarantee the Fund's future performance.

Investing in Ministry Fund returns are based on income from two sources. Loans made from the Fund return interest income. Funds not currently loaned are invested conservatively and in compliance with the United Church of Canada ethical standards.

*TUCC's Investing in Ministry Fund is one of the ways our church "works smarter". Congregations depend on their funds for income vital to their sustenance and service. The Fund provides them with a secured investment opportunity that, over the last 10 years, has provided a better rate of return than GIC's and is quite respectable in comparison to the S&P TSX composite index. Since the principal is always secure, trustees and board members owe it to themselves to consider the Investing in Ministry Fund. Investing church resources in church development just makes sense.*

## Your Principal at Work...

**Kingston Road United** (*Shining Waters*) is moving ahead with the replacement of their aged slate roof in 2022. An Investing in Ministry Fund Loan is providing over 80% of the capital costs for this project that will keep the community of faith dry and secure for years to come.

**East Plains United** (*Horseshoe Falls*) recently completed renovations that allowed the new East Plains Child Care Centre to open in its premises. An Investing in Ministry Fund loan provided just under half of the funding for this project that will offer much needed secure childcare places for up to 77 children in the Aldershot community and be a source of income for the East Plains congregation.

**Metropolitan United** (*Shining Waters*), having completed extensive exterior renovations at their downtown GTA location went on to restore and refurbish the north end of their heritage church, creating accessible, modernized facilities throughout for their many and varied programs and services. An Investing in Ministry Fund loan provided the bulk of the funds for the project.

**Cummer Avenue United** (*Shining Waters*) has just completed a multi-million dollar building renovation that makes the building fully accessible despite delays and additional costs caused by the COVID-19 pandemic. These unanticipated costs were met by a bridge loan from the Investing in Ministry Fund.

## The Investment Advisory Group

*Key financial decisions for the Fund are taken by Toronto United Church Council's (TUCC's) Committee of Finance and Property with the advice of the experienced professionals who comprise the Fund's advisory committee.*
