

## **Audrey**

Hello, I'm Audrey! I'm going into my first year of Graphic design at George Brown. I have always been passionate about working with the community and have learnt a lot of valuable skills as the Summer Camp Facilitator for TUCC. During this position I have also been able to work on the social media project to increase the market reach for Spaces United. I work on the Facebook and Instagram accounts as well as posts for the Lansing Open Market.
