CHANGE A LIFE!

Send a kid to camp with TUCC's Camping Opportunities Fund

Giving children a wilderness camping experience is one of our church's longest running and most rewarding youth programs. Each year, five United Church camps in south central Ontario offer approximately 2,200 children and youth the opportunity to appreciate the great out-of-doors up close. No child is turned away due to financial constraints.

FOR MORE THAN 30 YEARS, THE CAMPING OPPORTUNITIES FUND HAS BEEN THERE TO HELP SEND THOUSANDS OF CHILDREN AND YOUTH TO CAMP.

Camp is a non-traditional church and worship setting where the connection with spirit is strengthened.Through the generosity of numerous individuals, communities of faith, and UCW groups, lives have been transformed, lifelong friendships formed, and memories made amidst the beauty of nature and under the starry skies.

"NO MATTER WHAT LIFE HAS THROWN AT US, LILY HAS CAMP TO LOOK FORWARD TO."

These words, spoken by a grateful parent, resonate deeply with the essence of what camp means to so many families. It's a beacon of hope, a source of joy, and a place where memories are made that will last a lifetime.

YES! I'll help a child go to camp this summer!
